

DO STRICTER GUN LAWS REDUCE FIREARM GUN DEATHS?

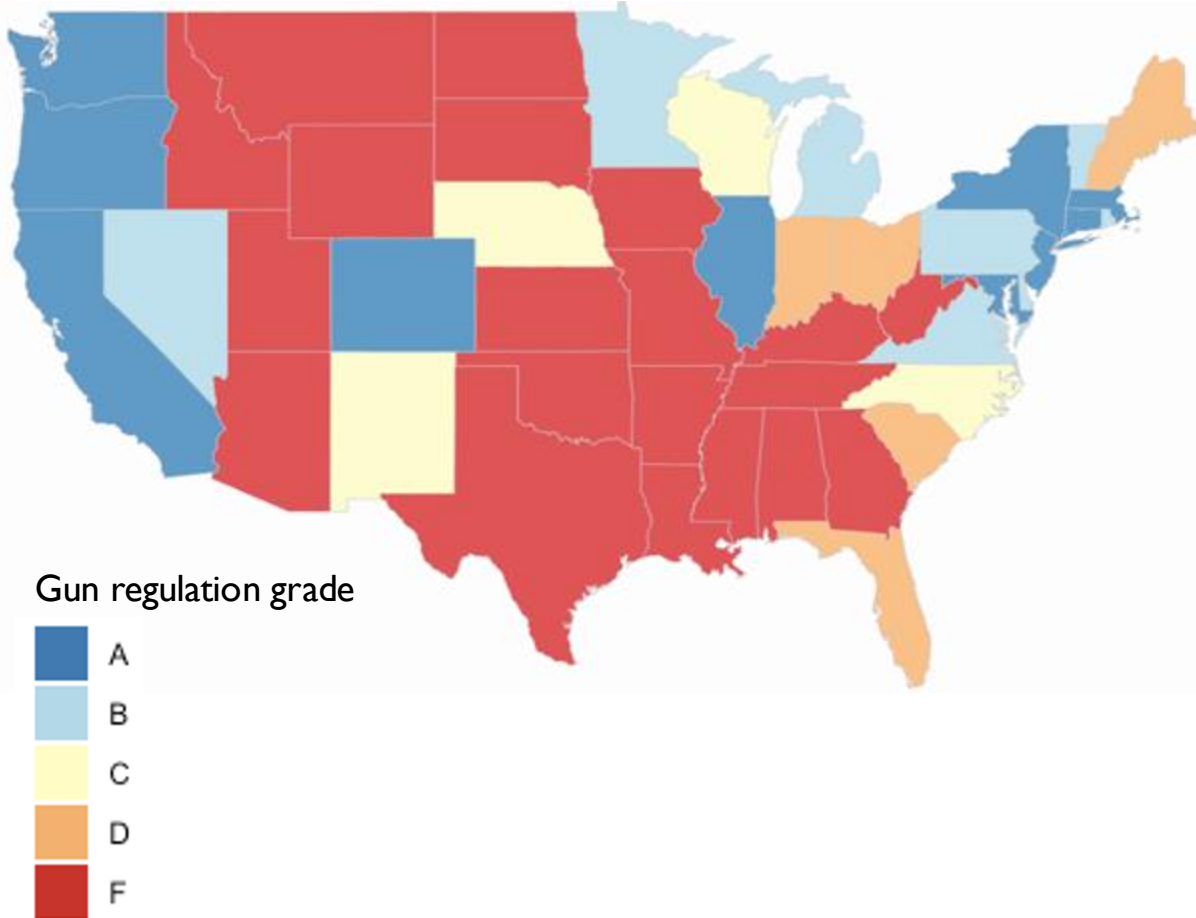

Story 3

Data 608

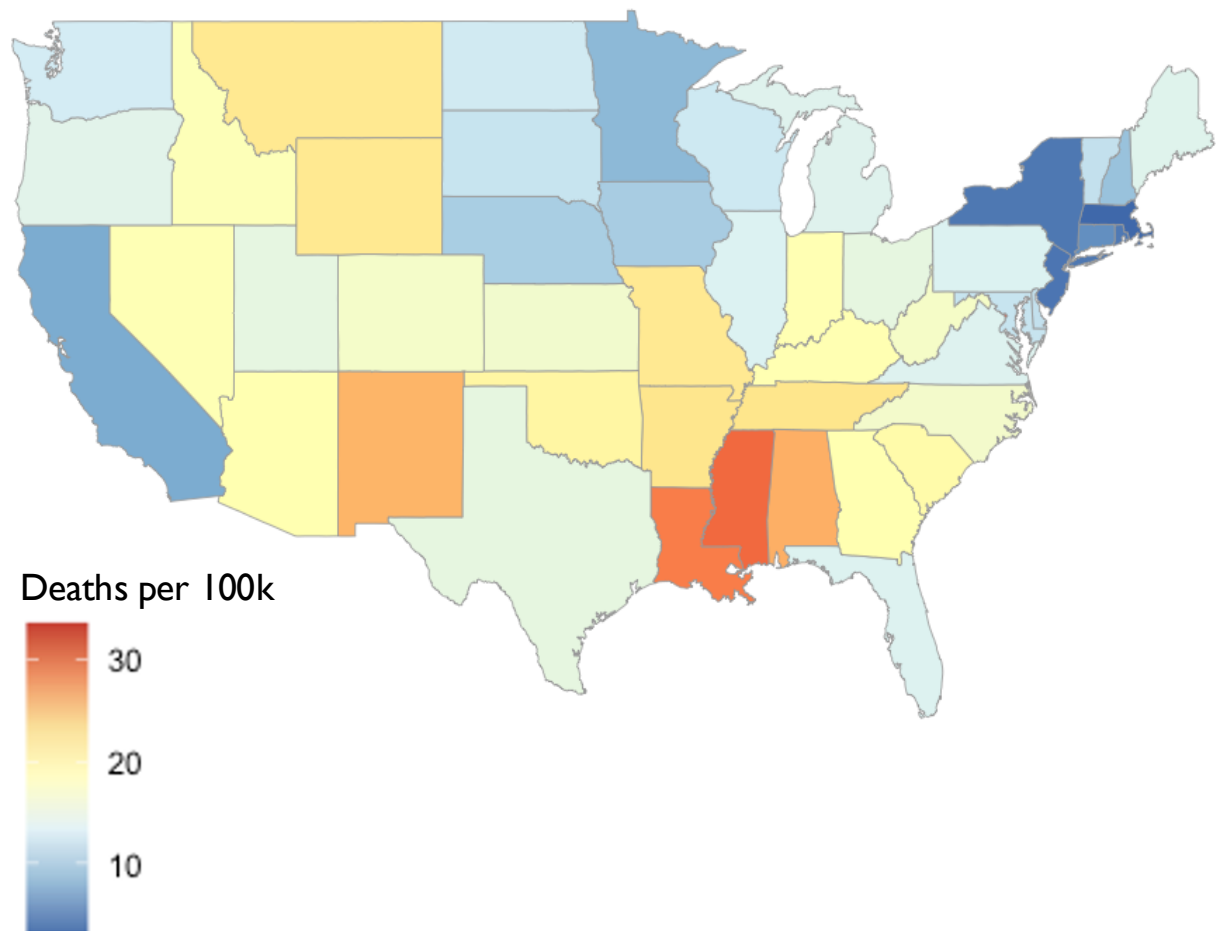

Naomi Buell

States with the strongest gun laws also have fewer gun fatalities, indicating that stricter laws reduce firearm deaths.

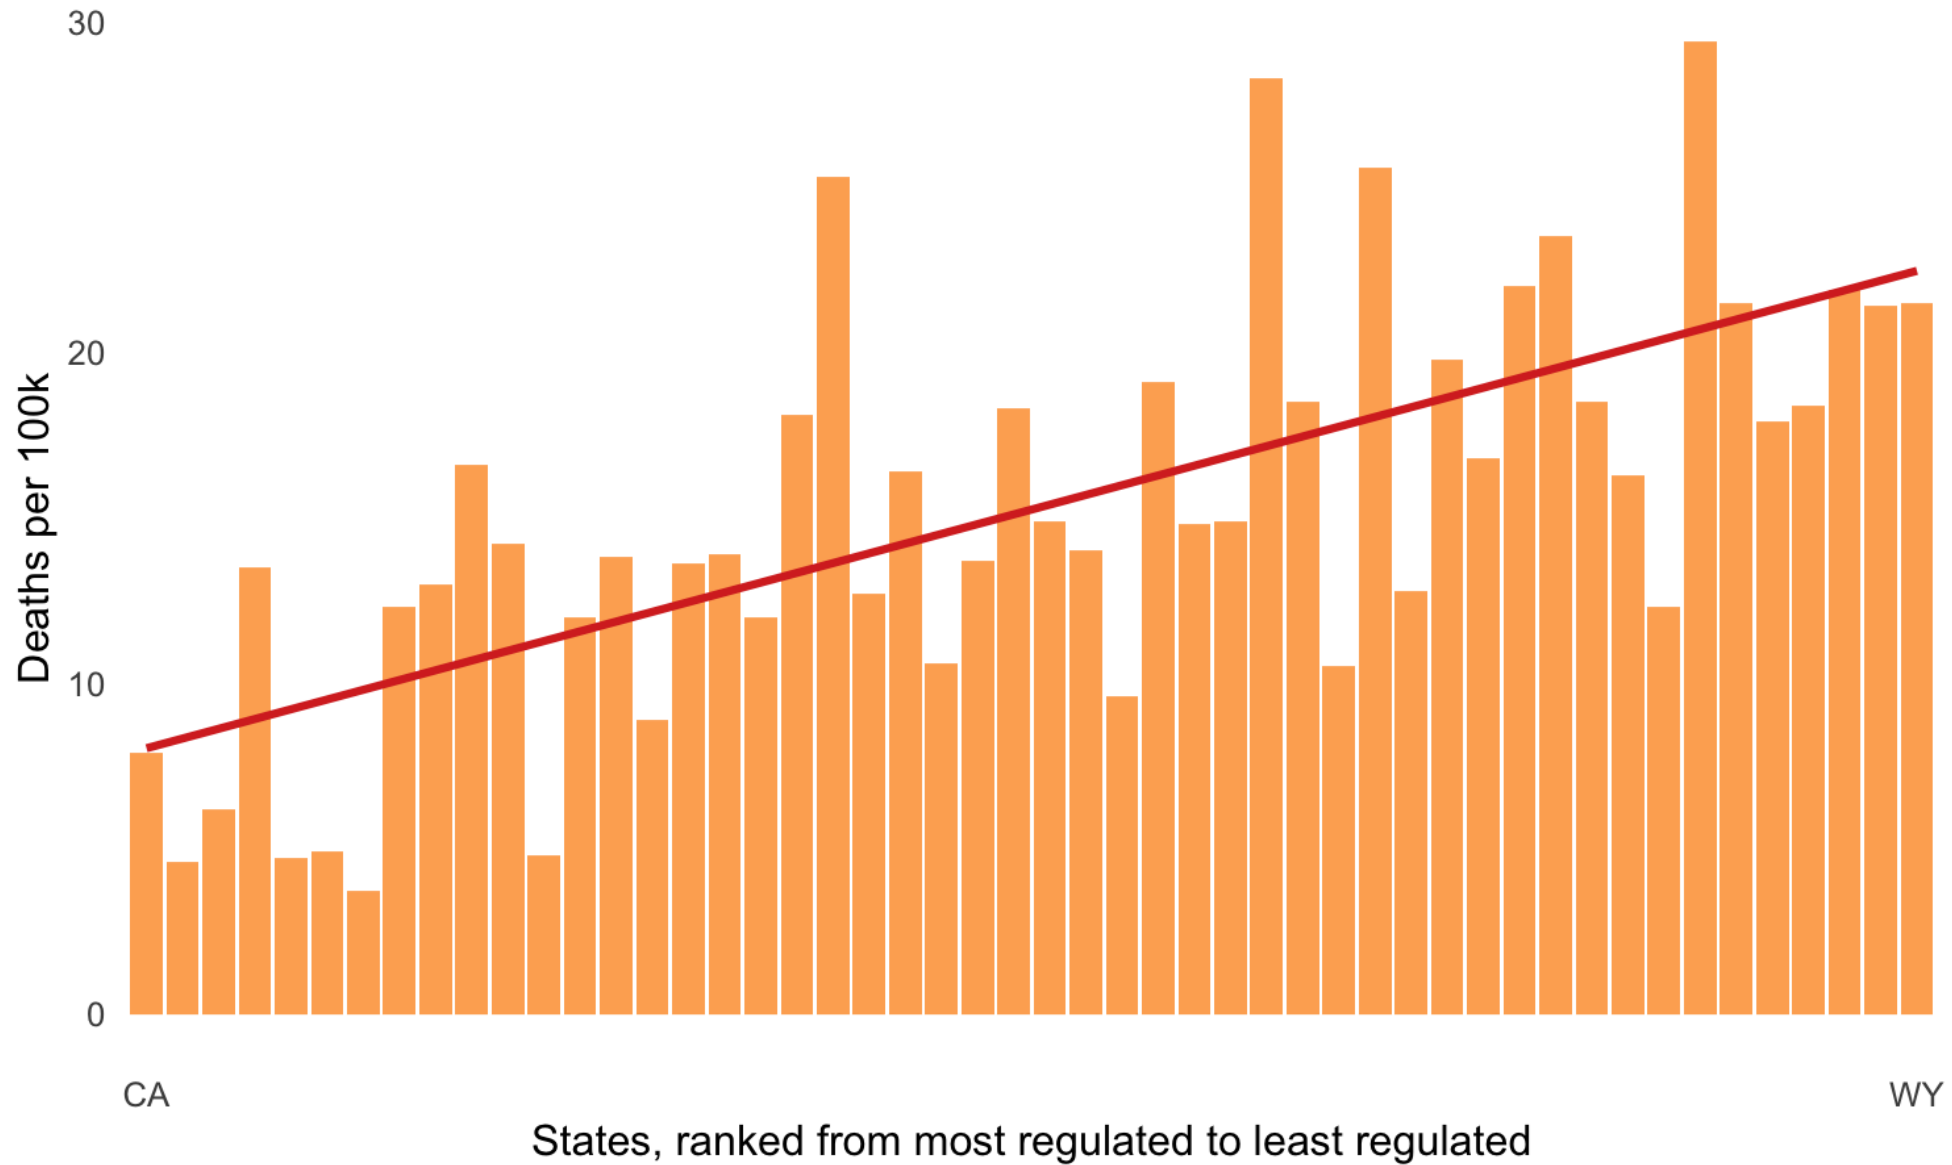

Regulations

Deaths

Looser gun laws mean 30,000 more deaths per year for each rank down in regulation.

A large orange circle is positioned on the left side of the slide.

CONCLUSION:

Yes, stricter gun laws reduce firearm gun deaths.
